Project 2501 16:00 01:00 Day: 3 Track: Hardware & Making en

Chef: 2433 Lindworm: 5463 Emergency: 112 Security: 110 Heaven: 1023 Speakers Desk: 1020 Info Desk: 1111

Title: Iridium Hacking

Subtitle: please don't sue us

Speaker: Sec, schneider

Short: Listening to satellites and decoding is fun. We show how you can do it with an Software Defined Radio and

some spare time. And we show what interesting stuff you can expect to find.
